

ATTENTION ELK ARCHERY HUNTERS

If you are participating in the elk draw this season you will need:

1. Oklahoma State hunting license (resident/non-resident)
2. Oklahoma State Elk license (unless exempt)
3. Fort Sill hunting permit (iSportsman)
4. Fort Sill Elk lottery permit (iSportsman)
5. Annual Vehicle Parking Pass (iSportsman)

You will be asked to show your permits and licenses before you are entered in the draw. If you are unable to provide all of the requirements you will not be entered.

It is highly encouraged to arrive around 1100. At noon the safety brief will begin.

Friday's drawing will likely fill all hunting compartments for Saturday and Sunday. Standby hunting will be allowed at the Sportsman Services counter between 0900 and 1500.

Each elk hunter will be permitted one NON-HUNTING participant. This participant MUST have an iSportsman account and a Fort Sill Hunting permit. The non-hunting participant will not carry a weapon.

If you harvest an elk, you are required to report your harvest online at gooutdoorsoklahoma.com and through iSportsman.
