

## Executive Summary

SUBJECT: Commanding General Policy Memorandum #16, Fort Sill Prohibited Weapons and Privately-Owned Firearms Policy, 03 March 2026

- **FCoE & Fort Sill OPR:** Fort Sill Provost Marshall Office

- **Summary**

- On 03 March 2026, the Commanding General signed Policy Memorandum #16, the Fort Sill Prohibited Weapons and Privately-Owned Firearms Policy. This policy applies to all persons entering and/or on Fort Sill, Oklahoma, including all Servicemembers, Dependents, and Civilians physically present within the limits of the Fort Sill military reservation. This policy establishes prohibited weapons which may not be introduced or found at Fort Sill, Oklahoma and governs the introduction and transportation of Privately-Owned Firearms (POFs) onto and within Fort Sill, Oklahoma. This policy is supplementary to existing Fort Sill Regulations (FSR), such as FSR 190-11.1 and FSR 200-1. Where FSRs and this policy may conflict, this policy will take precedence and be controlling. This policy will remain in effect until rescinded by me or any successor in command.
- **This policy is punitive.**
- **Prohibited Weapons.** The following weapons are strictly prohibited on the installation: sawed-off shotguns, sawed-off rifles, a firearm with an altered or removed serial number, machine guns not registered with the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF), rocket launchers, bazookas, recoilless rifles, mortars, hand grenades, or similar type devices intended to injure or kill a person.
- **Authorization Required.** The introduction or carrying of POFs, explosives, or ammunition on Fort Sill is prohibited unless specifically authorized as outlined in this policy and Fort Sill Regulation (FSR) 190-11.1.
- **Purposes.** POFs and ammunition will only be brought onto the installation by persons living on the installation or for the purpose of engaging in authorized activities such as hunting and recreational marksmanship.
- **Registration.** All POFs must be registered before they may be introduced onto Fort Sill. Persons residing on Fort Sill who own POFs must register each firearm within 24 hours of bringing the firearm onto post if that person introduces and/or stores the POF on Fort Sill.
- **Storage.** All POFs stored in residences on post must be stored securely in accordance with FSR 190-11.1.
- **Transport.** Personnel may transport authorized POFs onto and within Fort Sill for hunting, sports shooting, or other legitimate reasons, to include recognized functions or activities involving a POF.
- **Open and concealed carry.** Neither open nor concealed carry of a POF is permitted on Fort Sill, regardless of State or County licensure.
- **Reporting Requirements.** Commanders at all levels will report violations of this policy to the Fort Sill and Fires Center of Excellence (FCoE) Directorate of Emergency Services (DES) and through Serious Incident Reports (SIRs), where applicable. The FCoE DES will ensure responsible Commanders are made aware of all violations through normal reporting systems (e.g. Fort Sill Blotter).
- **Withholding Policy.** The initial disposition authority for all offenses involving POFs and/or this policy which occur on Fort Sill, including solicitation, conspiracy, and attempts of such offenses, is withheld to the subject's Special Court-Martial Convening Authority (SPCMCA) for uniformed members and the Garrison Commander (GC) for civilians.
